Conditions of Approval:

- Garage sale means a garage, yard, lawn, patio, or similar type sale held anywhere on any residential premises for the purpose of disposing of personal property, typically found in a residential household or garage, by the resident of the premises where the sale is held.
- The individual conducting the garage sale shall provide for control of parking for motor vehicles so as to reasonably prevent unsafe conditions and traffic congestion on the public street or streets adjacent not the premises upon which the sale is being conducted.
- Garage sales may be conducted for no more than seven (7) consecutive days, **and there shall no more than two permit sales per premises per year** (from the date of last garage sale).
- This permit must be posted on the property where the garage sale is held.

Advertisement:

- Signs cannot be placed on utility poles, in the devil strip, or on the sidewalk. Signs cannot be placed on property owned by the City. Only two signs are permitted advertising one sale. Signs can only be displayed on Fridays, Saturdays and Sundays.
- This license shall be displays at a conspicuous place at the site of the sale.

Any violation of these conditions or other applicable City codes will invalidate this permit and may result in other enforcement actions.
